

Math Sciences Department's Fall Kick Off

Sponsored by SIAM Student Chapter

Welcome back! To kick off the semester, we will be having our annual fall picnic. This event is open to all faculty, staff, and graduate students as well as their families. We especially encourage all the new students and faculty to come so they may meet returning students, faculty, and staff. This semester the festivities will be at the Clemson Outdoor Labs Amphitheater and Picnic Area. Bring your Frisbee, soccer ball, football, volleyball etc., if you would like to take part in some recreational activities. SIAM will provide a pork BBQ, fried chicken, pizza and drinks. Hope to see everyone on Friday the 11th!

Note: We will be having a best side dish and a best dessert competition! Aside from bragging rights, the winners will also win a pair of "Don't Drink and Derive" koozies and a Clemson Math coffee mug!
